

MOC

starts **03 Feb 2020**

The Learning Leadership for Change: **Shared Leadership in Your School** course aims to **foster school leadership and effective networking**. The course will provide you with an opportunity to **gain knowledge** on the multiple aspects of Shared Leadership, **in theory, and bring it to action**, while at the same time learning from other schools practices on the topic and exchange good practices with others.

What you will learn

- ▲ Understand what is Shared/Distributed Leadership approach in schools and why it is important for the school development process
- ▲ Learn what are the core elements of Shared Leadership approach and examine how they are practiced in your school reality
- ▲ Learn how a school vision, evidence gathering and collaboration contribute to school change
- ▲ Learn what is the role of sharing leaders and teacher leaders
- ▲ Learn how to draft an action plan incorporating Shared Leadership approach in your school

This training is free and open to anyone interested in completing it. The course is available on the European Schoolnet Academy. In order to take part in the course, participants need to create an account if they do not have one already, and register for the course. Participants will receive digital course certificate upon completion of the full course.
